RACE RECAP, SATURDAY, JULY 4, 1992

SIGMAN SCORES GRAND AMERICAN MODIFIED WIN

Gary Sigman is not running the full season in the NASCAR grand american modified division as he concentrates in the NASCAR sportsman division in which he leads the point standings, but last Saturday at Saugus Speedway, Sigman collected the win in the NASCAR grand american modifieds. In the NASCAR street stock division this season Jeff Saelid's consistent finishes kept him close to the point lead, but last Saturday he collected his first and second wins ever in the NASCAR street stock division and moved to within just a few points of point leader Ron Cerven. Chuck Berry scored his first win of the year in the NASCAR hobby stock division and moved to second in points. Finally, defending NASCAR mini stock division champion Rock Ake, Jr. scored his first win this year.

At the start of the 30-lap NASCAR grand american modified feature, Jim Marlewski pulled out to the lead followed by Rusty Stewart and Dave Blankenship. On lap seven, a red flag came out for a multi-car tangle down the front stretch. Stewart took the lead on lap nine and then under a yellow on lap ten, Marlewski would fall out of the race. After going back to green Stewart and Blankenship would start running laps side by side for the lead with point leader Dave Phipps and Sigman just behind. Working lap 15, Stewart slipped out into Blankenship causing Blankenship to spin which brought out a caution. Stewart was placed to the rear and Phipps pitted briefly during the caution giving the lead to Sigman. Sigman would easily lead the remainder of the race with Johnny Lathrop second, Jack Parker third, Michael Ayers fourth and David Pera fifth.
